FASTENERS AND ACCESSORIES FOR METAL AND CONCRETE CONSTRUCTION

VS SELF DRILLERS

ICBO ES # ER-5617

DB's complete line of VS Self Drilling Fasteners are ICBO ES and Uniform Building Code approved. VS Fasteners are designed to drill fast and consistent through all recommended steel thicknesses. Available in Zinc Plate and long life coated.

ITW BUILDEX

CLIP SCREWS

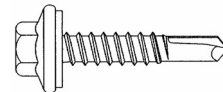

SCOTS™

TEK™ 5

HTZ™

DB carries a complete line of ITW BUILDEX fasteners and accessories

Drilling Capacity

#8-18	#2 point	.036" - .080"	#12 - 24	#4 point	.125" - .250"
#10-16	#3 point	.036" - .175"	#12 - 24	#4.5 point	.125" - .375"
#12-14	#3 point	.036" - .210"	#12 - 24	#5 point	.250" - .500"
1/4" - 14	#3 point	.036" - .210"	1/4"- 28	#5 point	.250" - .500"

Capacities may vary by modification to the fastener or in certain applications.

VS MW10

VS MW10 Metal Sheet to Wood Fasteners are manufactured with

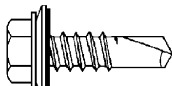

An extra sharp point for fast and consistent installation.

High Hex Washer Head (1/4" AF).

Conical shaped galvanized bonded washer for positive sealing.

Long life Coated for superior corrosion resistance.

X3 ULTRASTAINLESS

X3 UltraStainless has the strength of 410.....

.....And the corrosion resistance of 304!!!!!!

X3 UltraStainless is a line of specially manufactured stainless self drilling fasteners featuring high hardness, high anti corrosion properties and better drilling capacity.

X3 UltraStainless is available in self drilling and sheet to wood "UltraGrip" fasteners.

MASTERFLASH™ PIPE FLASHING

Masterflash™ pipe flashing can be installed on site quickly and easily.

Available for pipe sizes from 1/4" to 26" in diameter.

Available in Black, Grey, Brown, Green, Blue, White, and Red

SCHNEE MOOREHEAD CAULKING AND BUTYL TAPE

7108 Polyurethane Caulking

Available in Gray, Black, Bronze, White and Limestone

5731 Silicone

Clear Neutral Cure

5227 Tacky Tape

A highly elastic butyl rubber tape with excellent surface tack.

POWERS CONCRETE ANCHORS

Wedge Anchors

Wedge Bolts

Epoxy
